Project Name	Teen Driver
Description	Car crashes are the number one killer of teens in America. In an effort to break the bad habit of texting behind the wheel, Teens in the Driver Seat has developed an app that rewards responsible behavior. Activate the app before you begin driving then end the trip when you safely arrive at your destination to earn points based on mileage when you do not use your phone while the trip is running. Points are accumulated and rewards can be claimed when you reach set point levels.
